

Dear Fellow Parents and Carers,

The new school year is looming on the horizon and NMC Saturday mornings start again on 14th September. The tuck shop continues to be very popular and does a roaring trade in snacks between the morning sessions – including free fruit from Tescos!

I'm asking if you would offer a couple of hours of your time, once or twice a term, to help out? Each week there is a 'lead volunteer' who knows what to do and where everything is. The lead needs at least one, but preferably two helpers each week from about 10am- 11.45ish. Helpers assist in getting the stock out and displayed, parting the young people from their cash and then putting unsold stock away. The students generally know exactly how much things cost and although you will be very busy for 20 minutes, there is always a good natured atmosphere.

I appreciate that not everyone is able to help out on a Saturday. However, if you are available and haven't been involved before, please would you consider it? It really is not onerous - it is all run purely on folks' goodwill. To those of you who have volunteered before, thank you for doing so and I would be grateful if you are able to help out again this term.

Please pick a Saturday or two that suit you and complete the boxes below. You can hand this sheet back to Su Evans with your enrolment form in September and I will build a rota.

Enjoy the rest of the summer break.  
Best Wishes,

Nicolette Mason-Smith      Tuck Shop Rota Co-ordinator
